## Professional Summary

I have done my Bachelors in Computer Science from University of Central Punjab in September 2016 and therefore am eager to secure an existing position with a company for my future. My course has focused on a variety of specialist tools such as Algorithm Analysis, Software engineering, creating Database Systems, PHP, C, C++, Java, HTML, CSS, BOOTSTRAP, jQuery, SharePoint Development and Android and Web Development etc. These have assisted me in broadening my knowledge while showing me the diverse side of Computer Science that I find fascinating. I am fanatical about precision and order, enjoy problem solving and the challenges it brings with it and believe in team efforts.
